The Department has granted equivalency to specific alternate proficiency providers identified below: CAP and AAB. Where indicated, state licensed laboratories may choose to enroll in CLIS or one of the specific alternative surveys. SUBSTITUTION OF SURVEYS OTHER THAN THOSE LISTED WILL NOT BE PERMITTED WITHOUT PRIOR CLIS APPROVAL.

A fee for reviewing performance data from approved alternative surveys is indicated next to each alternative survey. This fee is payable to CLIS and is in addition to any enrollment fee required by the alternative PT provider. Please check the appropriate box next to the fee under the proficiency provider you have chosen for laboratory evaluation.
